Certificate pursuant to Article 35(1) of Regulation (EU) 2018/848 on organic production and labelling of organic products

L2 Operator type Operators Department Department	1312.				
L3 Operator or group of operators	1312.				
I.3 Operator or group of operators Name PFA MOISIU MARIOARA PFA Address Sat Cristesti, Nr 176 S17491 Cristesti Country Romania ISO Code RO I.5 Activity or activities of the operator or group of operators Production I.6 Category or categories of products as referred to in Article 35 (7) of Regulation (EU) 2018/848 of the European Parliament and of the Coproduction methods (a) Unprocessed plants and plant products, including seeds and other plant reproductive material Production method: Organic production with non-organic production (b) Livestock and unprocessed livestock products Production method: Organic production excluding during the conversion period Production method: Organic production excluding during the conversion period Production method: Organic production excluding during the conversion period Production method: Organic production excluding during the conversion period Production method: Organic production excluding during the conversion period Production method: Organic production excluding during the conversion period Production method: Organic production excluding during the conversion period Production during the conversion period Production during the conversion period	1312.				
I.6 Category or categories of products as referred to in Article 35 (7) of Regulation (EU) 2018/848 of the European Parliament and of the C production methods • (a) Unprocessed plants and plant products, including seeds and other plant reproductive material Production method: - Organic production excluding during the conversion period - Production during the conversion period - Organic production with non-organic production • (b) Livestock and unprocessed livestock products Production method: - Organic production excluding during the conversion period - Production during the conversion period	1312.				
I.6 Category or categories of products as referred to in Article 35 (7) of Regulation (EU) 2018/848 of the European Parliament and of the C production methods • (a) Unprocessed plants and plant products, including seeds and other plant reproductive material Production method: - Organic production excluding during the conversion period - Production during the conversion period - Organic production with non-organic production • (b) Livestock and unprocessed livestock products Production method: - Organic production excluding during the conversion period - Production during the conversion period	1312.				
I.6 Category or categories of products as referred to in Article 35 (7) of Regulation (EU) 2018/848 of the European Parliament and of the C production methods • (a) Unprocessed plants and plant products, including seeds and other plant reproductive material Production method: - Organic production excluding during the conversion period - Production during the conversion period - Organic production with non-organic production • (b) Livestock and unprocessed livestock products Production method: - Organic production excluding during the conversion period - Production during the conversion period	1312.				
I.6 Category or categories of products as referred to in Article 35 (7) of Regulation (EU) 2018/848 of the European Parliament and of the C production methods • (a) Unprocessed plants and plant products, including seeds and other plant reproductive material Production method: - Organic production excluding during the conversion period - Production during the conversion period - Organic production with non-organic production • (b) Livestock and unprocessed livestock products Production method: - Organic production excluding during the conversion period - Production during the conversion period	1312.				
I.6 Category or categories of products as referred to in Article 35 (7) of Regulation (EU) 2018/848 of the European Parliament and of the C production methods • (a) Unprocessed plants and plant products, including seeds and other plant reproductive material Production method: - Organic production excluding during the conversion period - Production during the conversion period - Organic production with non-organic production • (b) Livestock and unprocessed livestock products Production method: - Organic production excluding during the conversion period - Production during the conversion period	1312.				
I.6 Category or categories of products as referred to in Article 35 (7) of Regulation (EU) 2018/848 of the European Parliament and of the C production methods • (a) Unprocessed plants and plant products, including seeds and other plant reproductive material Production method: - Organic production excluding during the conversion period - Production during the conversion period - Organic production with non-organic production • (b) Livestock and unprocessed livestock products Production method: - Organic production excluding during the conversion period - Production during the conversion period	1312.				
I.6 Category or categories of products as referred to in Article 35 (7) of Regulation (EU) 2018/848 of the European Parliament and of the C production methods • (a) Unprocessed plants and plant products, including seeds and other plant reproductive material Production method: - Organic production excluding during the conversion period - Production during the conversion period - Organic production with non-organic production • (b) Livestock and unprocessed livestock products Production method: - Organic production excluding during the conversion period - Production during the conversion period					
I.6 Category or categories of products as referred to in Article 35 (7) of Regulation (EU) 2018/848 of the European Parliament and of the C production methods • (a) Unprocessed plants and plant products, including seeds and other plant reproductive material Production method: - Organic production excluding during the conversion period - Production during the conversion period - Organic production with non-organic production • (b) Livestock and unprocessed livestock products Production method: - Organic production excluding during the conversion period - Production during the conversion period	1012,				
Li6 Category or categories of products as referred to in Article 35 (7) of Regulation (EU) 2018/848 of the European Parliament and of the C production methods • (a) Unprocessed plants and plant products, including seeds and other plant reproductive material Production method: - Organic production excluding during the conversion period - Production during the conversion period - Organic production with non-organic production • (b) Livestock and unprocessed livestock products Production method: - Organic production excluding during the conversion period - Production during the conversion period					
Li6 Category or categories of products as referred to in Article 35 (7) of Regulation (EU) 2018/848 of the European Parliament and of the C production methods • (a) Unprocessed plants and plant products, including seeds and other plant reproductive material Production method: - Organic production excluding during the conversion period - Production during the conversion period - Organic production with non-organic production • (b) Livestock and unprocessed livestock products Production method: - Organic production excluding during the conversion period - Production during the conversion period					
1.6 Category or categories of products as referred to in Article 35 (7) of Regulation (EU) 2018/848 of the European Parliament and of the Corproduction methods • (a) Unprocessed plants and plant products, including seeds and other plant reproductive material Production method: - Organic production excluding during the conversion period - Production during the conversion period - Organic production with non-organic production • (b) Livestock and unprocessed livestock products Production method: - Organic production excluding during the conversion period - Production during the conversion period - Production during the conversion period					
• (a) Unprocessed plants and plant products, including seeds and other plant reproductive material Production method: - Organic production excluding during the conversion period - Production during the conversion period - Organic production with non-organic production • (b) Livestock and unprocessed livestock products Production method: - Organic production excluding during the conversion period - Production during the conversion period					
• (a) Unprocessed plants and plant products, including seeds and other plant reproductive material Production method: - Organic production excluding during the conversion period - Production during the conversion period - Organic production with non-organic production • (b) Livestock and unprocessed livestock products Production method: - Organic production excluding during the conversion period - Production during the conversion period	ouncil and				
Production method: - Organic production excluding during the conversion period - Production during the conversion period - Organic production with non-organic production • (b) Livestock and unprocessed livestock products Production method: - Organic production excluding during the conversion period - Production during the conversion period					
- Organic production excluding during the conversion period - Production during the conversion period - Organic production with non-organic production • (b) Livestock and unprocessed livestock products Production method: - Organic production excluding during the conversion period - Production during the conversion period					
- Production during the conversion period - Organic production with non-organic production • (b) Livestock and unprocessed livestock products Production method: - Organic production excluding during the conversion period - Production during the conversion period					
• (b) Livestock and unprocessed livestock products Production method: – Organic production excluding during the conversion period – Production during the conversion period					
Production method: - Organic production excluding during the conversion period - Production during the conversion period					
 Organic production excluding during the conversion period Production during the conversion period 					
– Production during the conversion period					
– Organic production with non-organic production					
This document has been issued in accordance with Demulation (FID 2049/940 to confide that the accordance group of accordance with the table					
This document has been issued in accordance with Regulation (EU) 2018/848 to certify that the operator or group of operators complies with that Regulation.
